homes. With over 70 Danes in rescue at any given time, we lovingly take these Danes into our homes, provide medical care, and a supportive network of volunteers to provide assistance for adopters to ensure our Danes' adaptability into their new homes. We are currently in need of loving foster homes for our needy Danes patiently waiting in area kennels. Please open your heart and your home.

If you would like more information about being a MAGDRL foster parent, go to www.magdrl.org or call 410-945-5454.

With our combined efforts, we can help more Great Danes find the loving homes they deserve.
