Mid-Atlantic Great Dane Rescue League, Inc. is looking for a few good volunteers!

MAGDRL is a 9-state non-profit organization staffed entirely by volunteers. Like other humanitarian groups, we exist thanks to the kindness of people just like you.

MAGDRL supports an average 70 Great Dane dogs every day of the year. How? Our volunteers pitch in and help in a thousand different ways! They contribute by spending as little or as much time as they can to benefit orphan Great Danes.

Don't think there's a way you can help? Not so!!!

What other ways can you help MAGDRL?

MAGDRL has a public Yahoo! email group to link volunteers throughout our mid-Atlantic region. It's where we share ideas and experiences, and where volunteer opportunities are posted. Please join us by sending an email to:

- ♥ Walk a Dane orphan that is in a kennel.
- ♥ Transport food, bedding, or other items to foster homes.
